

## **Special KACP Spring Conference Sponsorship Opportunities**

Sponsorship and door prize opportunities are available to attending vendors who wish additional exposure as well as to vendors unable to attend the conference but desiring conference exposure. KACP is offering various levels of sponsorship opportunities for the conference. We are also respectfully requesting and welcoming products to be given as door prizes. Your support is appreciated.

For \$200 to \$500 donations, you can sponsor our coffee breaks. \$1000 will sponsor our Training Activities, our Hospitality Bar or the Conference Play Money Auction. \$2000 will sponsor our Exhibit Hall Lunch or Vendor Reception. Partial sponsorships and General Conference sponsorships will also be accepted and given due recognition.

In recognition and appreciation for your sponsorship support, KACP will create and post placards at the corresponding functions giving due credit and will recognize such vendors as conference activity sponsors during our General membership meeting. We will also be happy to make available to our members any handout materials you provide. Additionally, sponsorships will be recognized on our website and in Special future KACP email announcements.

**Sponsorship payments can be paid online at <http://www.kacp.cc/payment.php> or by check payable to KACP and mailed to KACP at the address below.**

Please contact me at your convenience if you have any questions or comments. We look forward to your participation in the 2015 KACP Spring Trade Show. Thank you for your interest and support.
